

It's a big world **GO SEE IT!**

Our students have studied abroad in Austria, Canada, Czech Republic, Costa Rica, Denmark, Greece, England, France, Italy, Spain, Ireland and Scotland. We have also worked to build relationships with other two-year colleges around the world and have signed exchange agreements with schools in Denmark and Great Britain. This has opened educational opportunities for students to learn at these campuses and to have foreign faculty come and teach at Northeast.

- All students are welcome to participate in Global Engagement experiences.
- Payment plans are available to make these educational opportunities more affordable.
- All trips are led by experienced full-time Northeast faculty.
- Have experiences you'll remember for the rest of your life!

experiences you'll remember forever

March 2020
PUERTO RICO

ENVIRONMENTAL ISSUES (BIOS 2020)

Explore your theories, learn about your world, and earn college credit in this 4-credit hour class. Form your hypothesis on air and water quality, then test it by diving into the ocean or exploring the rain forest in Puerto Rico!

BIOS 2020 will go toward satisfying the Natural Science general education requirement for both AA and AS degrees. From the classroom to the "Bio Bay" and back again — don't miss this unique educational opportunity!

**EXPLORATION OF CORAL REEFS | VIEWING OF WILDLIFE
KAYAKING | TOUR OF EL YUNQUE RAIN FOREST | SNORKELING
