

# *It's a big world* **GO SEE IT!**

Our students have studied abroad in Austria, Canada, Czech Republic, Costa Rica, England, France, Italy, Spain, Ireland and Scotland. We have also worked to build relationships with other two-year colleges around the world and have signed exchange agreements with schools in Denmark and Great Britain. This has opened educational opportunities for students to learn at these campuses and to have foreign faculty come and teach at Northeast.

- All students are welcome to participate in Global Engagement experiences.
- Payment plans are available to make these educational opportunities more affordable.
- All trips are led by experienced full-time Northeast faculty.
- Have experiences you'll remember for the rest of your life!

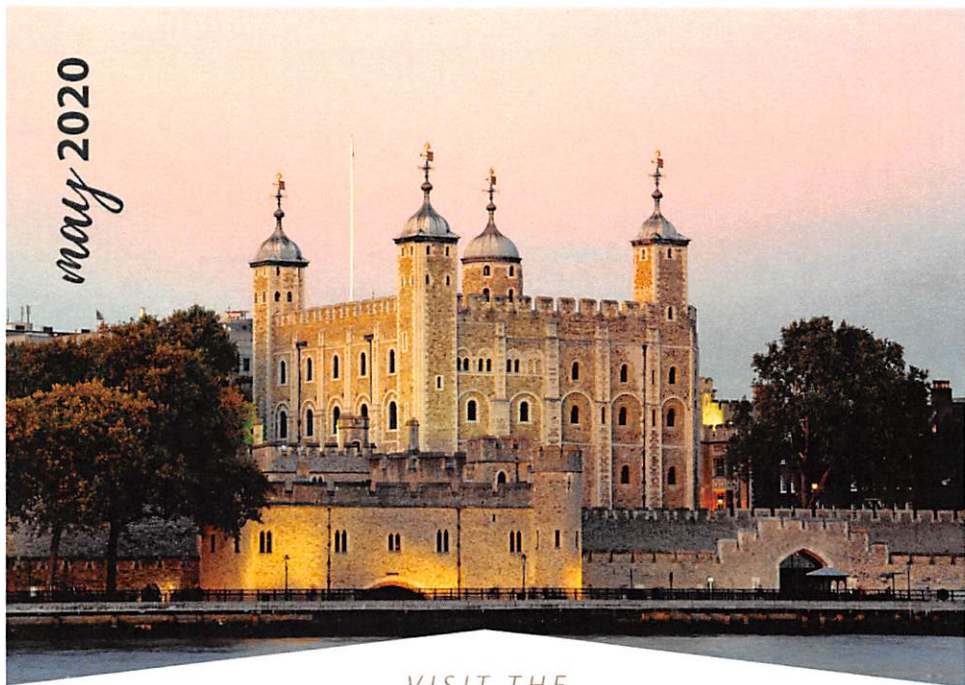

*Experiences you'll remember forever!*

GLOBAL OPPORTUNITIES IN AGRICULTURE LEADERSHIP STUDIES:  
**AGRICULTURE IN THE UNITED KINGDOM**

*Instructor Brandon Keller*

This agricultural-themed semester-long course is complimented by an educational travel experience to the United Kingdom. Gain exceptional knowledge from an international view of livestock, crop sectors, food markets, government policy, and historical and cultural points of interest within England and Scotland. Visit USDA staff from the Foreign Ag Services in London, Leicester Raceway, a dairy operation in Coventry and a Blackface sheep farm in Edinburgh, Scotland. Explore the Tower of London, Coventry Cathedral, Alnwick Castle, Manchester United Stadium and so much more!

**Cost is approximately \$3400.** Includes airfare, ground transportation, some meals, most – if not all – admissions, lodging, and travel insurance.

**EASY PAYMENT PLAN AVAILABLE!**

Agriculture from a global perspective: experience livestock and crop markets from an international view. Invaluable industry experience awaits you from London, England to Glasgow, Scotland.
